Is your organization bound by budget constraints?

Leasing can give you access to the financing required to help you acquire the communications solution you need now.

## The Benefits

**Morse Communications in association with Merrimak Capital Company LLC offer a variety of lease terms and end of lease options to meet your specific needs. We will work with you to customize the right solution. Here are some of the ways you will benefit:**

### Improved cash-flow management

- **Conserve capital and free up budget constraints.**
- **Improve budgeting accuracy with fixed payments and no floating rates.**

### 100% Financing

- **Qualified applicants can finance 100% of the cost and may include implementation services, delivery and maintenance costs.**

*Merrimak Capital Company is an independent 3<sup>rd</sup> party equipment Lessor founded in 1991. Merrimak is an expert in structuring multi-vendor financing solutions nation wide to organizations in every industry. Headquartered in the San Francisco bay area, Merrimak's senior management team has over 100 years of combined equipment leasing experience.*
